

## What Is AmazonSmile?

AmazonSmile, a separate portal from Amazon's main site, offers the same items, prices, and benefits as Amazon.com, but with one distinct difference--when users shop on AmazonSmile, the retailer's Foundation contributes 0.5% of the price of eligible purchases to the charity of your choice. There is no cost to charities or customers, and 100% of the donation generated from eligible purchases goes to the consumer's charity of choice. **This is a great way to give back to charities effortlessly.**
